In house Medical facilities

The welfare of the employees at Kaizer Knitwears Ltd. is an important concern to us that is why we have a team of professional doctors and well trained nurses at standby on the factory floors. The medical team stands ready with the basic first-aid kit and other necessary medicine. The staff undergoes regular checkups and the company pays for the consultation and the recommended medicine.

Child Care Centre

Our Child Care Centre offers a safe, nurturing, and stimulating environment for children under six, designed especially for our female employees. With space for up to 20 children, the centre features dedicated sleeping, breastfeeding, and play zones, complete with toys and indoor games. We focus on both care and development—helping children grow, learn, and become independent in a warm, hygienic setting. On-site cleaning and drying facilities ensure cleanliness, while one caring female attendants provide attentive supervision at all times.

Dining room and Canteen facilities

A spacious dining room is present for the benefit of the employees where they take their lunch in clean and healthy environment. Every Working Day All Employee happily enjoy our canteen Facility..

Training & Development

Training is an educational process. People can learn new information, re-learn and reinforce existing knowledge and skills, and most importantly have time to think and consider what new options can help them improve their effectiveness at work. Effective trainings convey relevant and useful information that inform participants and develop skills and behaviors that can be transferred back to the workplace. Training & Development create a learning environment where employees' will be prepared to accept change, develop new skills and take responsibility for their own continuous learning, in partnership with their Immediate Manager & Line Manager to ensure their effective contribution to the successful achievement of both business and personal goals.

Worker's Participations Committee

Worker's Participation Committee (WPC)- is an unique team building initiative in the garment industry. This committee helps to achieve objective by creating bridge between the top management & workers. Through this committee, workers and management uphold their mutual interest.
